## G214-like Perfin Pattern?

Brad Baker (L3766)

A Perfin Club member sent me the perfin shown.

The perfin pattern in this U.S. revenue stamp is similar to pattern G214 but has an extra hole in the letter G below its crossbar. The photo in our U.S. Catalog does not have this extra pin. Does anyone else have a copy of G214 with the extra pin? If so, please let me know. My contact information is on the back page of *The Perfins Bulletin*.
